Is it weird I can't stand to listen to him? He sounds exhausted and he never says what he really means. He's pushing that horrific Gilead drug which we know causes severe kidney damage and doesn't really work against the virus...he's never mentioned the HCQ capitol hill frontline doctors....

I know he's playing a game--but it's mentally exhausting. You know damn well he's taking the HCQ 1 pill every two weeks--just like the rest of Congress. And here we all are. Forbidden.
